**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on my Sonic wired internet because I am electro-hypersensitive. This works well for myself and many others to stay connected to the world.

Therefore, I implore you NOT to get rid of this system. Broadband competition is key to keeping down monopolies from occurring; and the key to keeping people/children/babies/animals/and the environment safe.

Wake up and be real about how detrimental the wireless industry is to our overall health.

Sincerely,

Karen Blomquist
